The image shows a screenshot of a web browser window with a blue header bar containing a minus sign and a close button. The main content area is white and features the 'YouNeed' logo in blue with a yellow underline. Below the logo are two input fields: the first is labeled 'Username' with a person icon, and the second is labeled 'Password' with a lock icon. A blue 'Login' button is positioned to the right of the password field. Below the input fields, there is a horizontal line, followed by the text 'Forgot your password? Click here' where 'here' is a blue hyperlink. At the bottom right, there is a blue circular icon with a question mark followed by the text 'Help'.
